-
- **Długość całkowita:** 30
 - **Przeznaczenie:** uniwersalne
 - **Opakowanie:** sztuki
 - **Liczba sztuk:** 1
 - **Kod taryfy celnej:** 73181499
 - **EAN (GTIN):** 5906675174020

Informacje o bezpieczeństwie

List of safety warnings for nails, screws, bolts and studs based on the requirements of General Product Safety Regulation (EU) 2023/988 (GPSR): * Eye protection: Always use safety glasses when working with nails, screws, screws and studs. Shards can cause serious eye injuries. * Hand protection: Wear protective gloves to avoid cuts and abrasions when manipulating sharp elements. * Risk of choking: Small items such as nails, screws, and bolts can pose a choking hazard, especially for children. Keep them out of reach of children. * Use the right tools: Always use the right tools (e.g. hammer, screwdrivers) for driving or screwing nails, screws and bolts. Incorrect tools can cause damage to the material or injury. * Stability: Make sure the surface you are working on is stable. An unstable surface can lead to loss of control over tools and materials. * Suitable selection: Choose the right nails, screws, screws, and studs for the type of material and load they are designed to hold. Incorrect selection can lead to damage to the connection or its break. * Secure driving/screwing: Drive/screw nails, screws, and bolts straight to avoid bending or breaking. * Corrosion protection: If nails, screws, screws, and studs are to be used outdoors, make sure they are corrosion resistant. * Storage: Store unused nails, screws, screws, and studs in a dry place, away from moisture and extreme temperatures. * Disposal: Dispose of worn or damaged nails, screws, bolts, and studs in an appropriate manner, in accordance with local regulations. * Kids Warning: Don't let kids play with nails, screws, screws, and studs. They pose a potential threat. * Overload: Avoid overloading joints made with nails, screws, screws, and studs. This can lead to damage or breakage. * Installations: Be careful when driving nails or screwing into walls, floors, and ceilings so as not to damage electrical, gas, or water installations.
