### Informacje o bezpieczeństwie

List of safety warnings for punch boxes based on the requirements of General Product Safety Regulation (EU) 2023/988 (GPSR): \* Use the punch box as intended and in the instruction manual. Improper use can lead to accidents. \* Always wear safety glasses when working with a punch box and saw to protect your eyes from chipping. \* Use protective gloves to protect your hands from cuts and abrasions. \* Make sure the punch box is firmly fixed to the ground before cutting. \* Check if the saw is suitable for your used punch box and if it is in good condition. \* Do not use blunt or damaged saws, as this increases the risk of an accident. \* Keep your workspace organized. Remove sawdust and other obstacles to avoid tripping and falling. \* Store the punch box in a dry and safe place, out of reach of children. \* Regularly check the condition of the punch box.

---

Replace damaged components to ensure safe use. \* If you do not have experience working with a punch box, ask for instructions from an experienced user.
