Informacje o bezpieczeństwie

List of safety warnings for products in the category: Christmas based on the requirements of Regulation (EU) 2023/988 on general product safety (GPSR): 1. Electrical decoration: * Make sure that the electrical decoration has safety certificates and complies with EU standards. * Check the condition of cables and plugs regularly – replace damaged ones with new ones. * Do not overload electrical outlets to avoid the risk of fire. * Turn off electrical decorations at night or when leaving the house. 2. Candles and lanterns: * Never leave lit candles unattended. * Set candles away from flammable materials such as curtains, tablecloths, and paper decorations. * Use stable candle stands to avoid tipping over. * Keep candles out of reach of children and pets. 3. Christmas tree decorations (glass, plastic): * Carefully handle delicate ornaments to avoid cuts or ingestion of small elements. * Place glass ornaments out of reach of children and pets. * Regularly check that the ornaments are not damaged (cracks, sharp edges). 4. Artificial snow and sprays: * Use artificial snow and sprays in a well-ventilated area. * Avoid inhaling fumes. * Keep away from sources of fire. 5. Christmas tree lights: * Do not allow the Christmas lights to get wet. * Outdoor lights should be designed for outdoor use and have adequate safety features. * Before putting on the lights, check if they have any damage. 6. Christmas tree (live and artificial): * Make sure the Christmas tree is firmly fixed to prevent tipping over. * Water the live tree regularly to prevent drying out and reduce the risk of fire. * The artificial tree should be made of flame retardant materials. 7. Christmas toys: * Check if the toys are CE marked and suitable for the age of the child. * Avoid toys with small elements that can be swallowed. 8. Batteries: * Use only batteries suitable for the product. * Insert batteries according to polarity. * Do not mix old and new batteries. * Keep batteries out of reach of children. * Recycle used batteries. 9. Packaging: * Immediately after unpacking, remove the packaging to avoid the risk of suffocation for children. * Sharp packaging elements (e.g. staples, wires) can pose a threat. 10. General rules: * Read and follow the instructions for use of each product. * Regularly check the condition of all decorations and toys to ensure they are safe to use. * If you have any doubts about the safety of the product, discontinue its use.
