PAWBOL PUSZKA DO ŚCIAN PUSTYCH FI60 GŁĘBOKA

Cena	4,00 zł
Numer katalogowy	ALP-13102917864
Kod producenta	A.0044LP
Kod EAN	5907484339419

Opis produktu

PAWBOL PUSZKA DO ŚCIAN PUSTYCH FI60 GŁĘBOKA + WKRĘTY

1 SZTUKA

Parametry produktu

- **Stan:** Nowy
- **EAN (GTIN):** 5907484339419
- **Kod producenta:** A.0044LP
- **Marka:** Pawbol
- **Szerokość:** 60
- **Rodzaj:** podtynkowe
- **Głębokość:** 60
- **Waga produktu z opakowaniem jednostkowym:** 0.1

Informacje o bezpieczeństwie

List of safety warnings for electric cans based on the requirements of Regulation (EU) 2023/988 on General Product Safety (GPSR): 1. Risk of electric shock: - Make sure I disconnect the power supply before any interference with the electrical system. - Do not touch electrical wires with wet hands. - Always use appropriate insulated tools. 2. Fire risk: - Use electric cans with the appropriate fire resistance class. - Do not overload electrical circuits. - Regularly check the condition of the electrical system. 3. Risk of injury: - Wear appropriate personal protective equipment such as gloves and safety glasses. - Be careful when working with tools. - Protect your workplace from bystanders. 4. Risk of product damage: - Choose electrical cans suitable for ambient conditions (e.g. humidity, temperature). - Do not exceed the permissible load of the electric can. - Mount electrical cans according to the manufacturer's instructions. 5. Risk for children: - Protect electrical cans from children's access. - Teach children about the dangers of electric current. 6. Risks associated with improper installation: - Entrust the electrical installation to a qualified electrician. - Make sure all connections are properly made and secured. 7. Maintenance risk: - Regularly check the condition of electrical cans and wires. - Entrust any repairs to a qualified electrician. - Do not use damaged electrical cans. - Disconnect power before cleaning or maintenance.
