- **Model:** YES
- **Rozmiar:** 10 - XL
- **Liczba par w opakowaniu:** 1
- **Przeznaczenie:** budownictwo
- **Liczba sztuk w opakowaniu:** 1

Informacje o bezpieczeństwie

List of glove safety warnings based on the requirements of General Product Safety Regulation (EU) 2023/988 (GPSR): 1. Make sure that the gloves you choose are suitable for your job and protect against specific hazards (e.g. cuts, punctures, chemicals, high temperature). 2. Check that the gloves are not damaged, rubbed or punctured before each use. Damaged gloves do not provide adequate protection. 3. Choose the right size of gloves. Too tight or too loose gloves can make it difficult to do the job and increase the risk of an accident. 4. When working with chemicals, check that the gloves are resistant to these substances.

5. After using the gloves, wash your hands with soap and water to remove any impurities. 6. Store gloves in a dry and clean place, away from heat sources and direct sunlight. 7. For reusable gloves, clean and disinfect them regularly according to the manufacturer’s instructions. 8. If you notice any skin irritation, immediately stop using gloves and consult a doctor. 9. Disposable used gloves should be disposed of in appropriate waste containers. 10. Do not use gloves near moving parts of machinery if there is a risk of pulling in.
