- **Szerokość:** 12
- **Gramatura (g/m²):** 60 g/m²
- **Kod taryfy celnej:** 39199080
- **EAN (GTIN):** 5902004712536

Informacje o bezpieczeństwie

List of Tarpaulin Safety Warnings based on the requirements of General Product Safety Regulation (EU) 2023/988 (GPSR) *
Make sure that the Tarpaulin is properly fastened to prevent it from being broken by wind or other atmospheric factors. * Do not use tarpaulin near an open fire or other heat sources that may cause it to ignite. * Regularly inspect the tarpaulin for damage, such as tears, abrasions, or holes. * Avoid using tarpaulin in areas where sharp objects may come into contact. * Do not overload the tarpaulin with excessive weight to avoid damaging or breaking it. * Make sure the tarpaulin is made of materials that are weather-resistant, such as UV radiation, rain, and snow. * When fixing the tarpaulin, make sure the attachment points are stable and durable. * Be sure to properly secure the edges of the tarpaulin to prevent them from fraying. * Use the tarpaulin for its intended purpose, avoid applications that may lead to its damage or pose a threat. * In case of strong winds or other extreme weather conditions, consider dismantling the tarpaulin to prevent it from being damaged or broken. * Tarpaulin should not be used as toys by children, as this threatens to suffocate.
