- **Kod producenta:** PLEUCOM SCH11S01003
- **Marka:** Schmith
- **Waga produktu z opakowaniem jednostkowym:** 0.5

Informacje o bezpieczeństwie

Staple safety warning list based on the requirements of General Product Safety Regulation (EU) 2023/988 (GPSR): * Use staples as intended to join materials using a stapler. * Do not point the stapler towards people or animals to avoid accidentally firing the staple and injuring it. * Keep staples out of reach of children to prevent ingestion or injury. * Use appropriate safety glasses when working with a stapler to protect your eyes from chipping. * Secure the bonded material to avoid staples shifting during use. * Make sure the stapler is working and well charged before use. * Do not use staples near flammable materials to avoid the risk of fire. * If the staple is jammed in the stapler, disconnect it from the power supply and use the appropriate tools to remove the staple. * Check that there are no hidden electrical wires or pipes in the material before using the stapler. * Once the job is done, disconnect the stapler from the power supply and store in a safe place.
