Opis produktu

Ściieczka 250x60mm do myjki VWP100 mikrofibra 2szt

Parametry produktu

- **Stan:** Nowy
- **Kod producenta:** S053998906
- **Marka:** bez marki
- **Waga produktu z opakowaniem jednostkowym:** 0.2
- **EAN (GTIN):** 5905947916474

Informacje o bezpieczeństwie

List of safety warnings for window washer cartridges based on the requirements of General Product Safety Regulation (GPSR) 2023/988: 1. Use only in designed window washers, according to the manufacturer's instructions. Improper use can cause damage to the device or injury to the body. 2. Before use, check that the cartridge is properly fixed. Loose contributions can fall out during operation, posing a risk. 3. Do not use damaged or incomplete cartridges. They may not perform their function and damage the cleaned surface. 4. After use, remove the cartridge from the washer and store in a dry place, out of reach of children and pets. 5. Do not use cartridges to clean surfaces other than windows unless explicitly indicated by the manufacturer. 6. Do not leave used cartridges in places easily accessible to children, there is a risk of ingestion. 7. Use cleaning products recommended by the cartridge manufacturer. Using inappropriate detergents can damage cartridges or cleaned surfaces. 8. If an allergic reaction to the cartridge material occurs, discontinue use. 9. Replace cartridges regularly, as recommended by the manufacturer, to ensure optimal cleaning performance and safety of use. 10. Do not disassemble the cartridges or try to repair them, as this can lead to damage or malfunction.
