- **EAN (GTIN):** 3253561038518

Informacje o bezpieczeństwie

List of safety warnings for pencils, styluses and markers based on the requirements of Regulation (EU) 2023/988 on general product safety (GPSR): 1. Pay attention to the choking hazard. Products may contain small components or plugs that may be swallowed by children. Keep them out of reach of children under 3 years of age. 2. Use as intended. Some products are intended for adult use only or under adult supervision. Check the markings on the packaging. 3. Avoid contact with eyes. Chemicals contained in some products can cause eye irritation. In case of contact, wash them abundantly with water. 4. Store in a safe place. Protect against direct sunlight and high temperatures that can affect the quality and durability of the product. 5. Check the lineup. People with allergies should check the composition of the product for sensitizing substances. 6. Do not use damaged products. If the product is damaged, e.g. It has a cracked case, do not use it to avoid injury. 7. Use ventilation. When using products in enclosed spaces, take care of proper ventilation. 8. Pay attention to the sharp tips. Avoid contact of sharp tips with delicate parts of the body. 9. Recycle. Dispose of used products in accordance with local environmental regulations. 10. Protect against moisture. Some products may be damaged in contact with water or moisture. Store them in a dry place.
