Tradycyjny pion murarski Odlewany Wzmocniona lina 3 m Ciężar 500g

**

Parametry produktu

- **Stan:** Nowy
- **Kod producenta:** 000
- **Marka:** Stanley
- **Waga produktu z opakowaniem jednostkowym:** 0.6
- **EAN (GTIN):** 3253560471606

Informacje o bezpieczeństwie

List of safety warnings for measuring instruments based on the requirements of Regulation (EU) 2023/988 on General Product Safety (GPSR): 1. Risk of electric shock: * Make sure that the instrument is connected to a working socket with grounding. * Do

not touch the plug or cable with wet hands. * Avoid using the instrument in areas with high humidity. 2. Fire risk: * Use only original chargers and accessories recommended by the manufacturer. * Do not leave the instrument on unattended near flammable materials. 3. Risk of bodily injury: * Avoid using the device in a position that causes excessive heat pressure on the skin to prevent burns. * Use the instrument on a stable surface to minimize the risk of falling. 4. Hazards in humid environments: * Do not use the instrument outdoors in rain or in areas with high humidity, such as bathrooms. * If the instrument is flooded, immediately disconnect it from the power source and contact the service. 5. Hazards at high temperatures: * Do not expose the instrument to direct sunlight. * Avoid using the instrument at temperatures above the recommended range. 6. Risk of damage during cleaning: * Before cleaning, disconnect the instrument from the power supply and use a soft, slightly damp cloth. * Avoid using strong detergents that can damage the surface of the instrument. 7. Caution when replacing accessories: * Use only the accessories recommended by the manufacturer. * When replacing batteries, follow the manufacturer's instructions and do not expose the battery to high temperatures. 8. Battery-related hazards: * Avoid damage to the battery by impacts or punctures. * If the battery overheats or swells, stop using the device immediately. 9. Child warnings: * Keep power cables out of reach of children. * Make sure that children do not play with the instrument or accessories that can be dangerous.
