### Opis produktu

## Rozgałęźnik 2XGNIAZDO 34044 IP44 DUWI

- Napięcie (w V): 230
- Moc maksymalna (w W): 3500
- Kolor: Pomarańczowy
- Wysokość (w mm): 95
- Szerokość (w mm): 70

### Specyfikacja techniczna

- **Napięcie (w V) :** 230
- **Moc maksymalna (w W) :** 3500
- **Kolor :** Pomarańczowy
- **Wysokość (w mm) :** 95
- **Szerokość (w mm) :** 70
- **Głębokość (w mm) :** 110

### Parametry produktu

- **Stan:** Nowy
- **Kod producenta:** 5363546
- **Marka:** Düwi
- **Długość kabla:** 1
- **Liczba gniazdek:** 2
- **Kolor:** pomarańczowy
- **Typ:** ogrodowy
- **Uziemienie:** Z uziemieniem
- **EAN (GTIN):** 4008297340447

### Informacje o bezpieczeństwie

List of safety warnings for extension cords based on the requirements of General Product Safety Regulation (EU) 2023/988

---

(GPSR): 1. Risk of electric shock: \* Make sure the extension cord is used in dry environments. \* Do not touch the extension cord with wet hands. \* Check that the cable insulation is not damaged. \* Do not overload the extension cord by connecting too many devices to it. \* Always disconnect the extension cord from the outlet before cleaning or repairing it. 2. Fire risk: \* Do not cover the extension cord when used to prevent overheating. \* Do not use damaged extension cords – they can cause a short circuit. \* Use power extension cords for connected devices. \* Do not place extension cords in areas exposed to high temperatures. 3. Risk of tripping and falling: \* Make sure that the extension cord does not lie in a place where you can trip over it. \* Use special cable covers to protect them from damage and increase visibility. 4. Child protection: \* Protect the sockets from access by children using special covers. \* Teach children how to use extension cords safely. 5. Outdoor use: \* Use only extension cords designed for outdoor use. \* Protect the extension cord from moisture and direct weather conditions. 6. Storage: \* Store extension cords in a dry and safe place, away from heat and moisture sources. \* Regularly check the condition of extension cords and replace damaged ones. \* Retract the extension cord completely before each use.
